

Dressing Logic

DIRECTIONS: Agnes, Barbara, Catherine, and Diana are going to a party. Below are the true statements they made about what they would wear. Decide what blouses they wear to the party, based on the illustration at the bottom of the page.

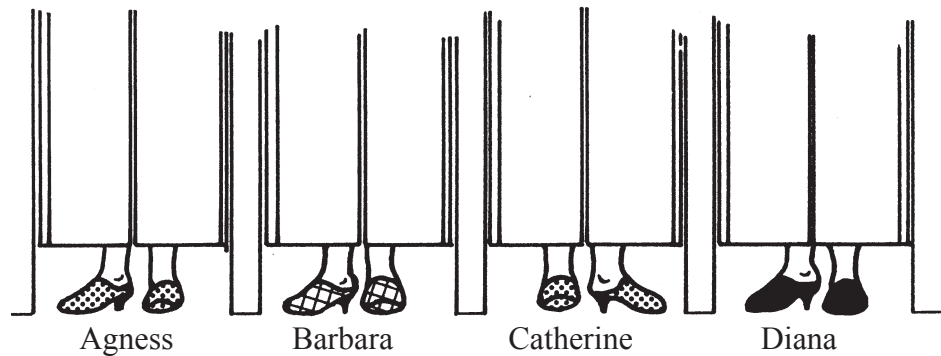

Agnes: "I will wear  and/or  ."

Barbara: "I will wear  and/or  ."

Catherine: "I will wear  and/or  ."

Diana: "I will wear  and/or  ."

Based on the shoes the girls chose to wear, which blouse(s) could each girl wear and still make the statement true? (The girls always tell the truth.)

Agnes: _____

Catherine: _____

Barbara: _____

Diana: _____
