

SECRET WORD PUZZLES

12. Use each list of clue words to find a three-letter solution word. Beside each clue word is the number of letters that word has in common with the solution. Write the solution in the blank beneath the column. (The solution is a real word. It is not a person's name. It has no repeating letters.) For more information, see page 40.

a. ASK (0)	b. ARM (0)	c. WED (0)
