Comma: Who Says What

38. Match each sentence to its picture. Write the correct letter in each blank.

“Hoppy,” said Bartholomew, “is a strange frog.” _____

Hoppy said, “Bartholomew is a strange frog.” _____

39. Use the picture to find the meaning of the text. Add one set of quotation marks and a comma to correct it.

I said I really liked Mary, and I wanted to find out if she liked me. I overheard Sidney saying Mary likes me.

Me, after hearing Sidney

RULE: Quotation marks enclose spoken words. Commas separate quotations from a speaker (the comma goes inside quotation marks before the speaker). *“Now,” she said, “go play.”* Use no comma after an exclamation or question. *“Great!” he yelled.*
