## Birthday Party

Sharon had a birthday party, and among her friends who attended were Angela, Carlotta, Elias, Harold, and Igor, whose last names are Durwood, Forman, Kramer, Lansdowne, and Nardon. The gifts they gave Sharon were a book, a game, a jigsaw puzzle, a model airplane kit, and a compact disc. Read the clues to find each friend's full name and gift.

1. Elias didn't give Sharon a compact disc.
2. One of the girls thought Igor was kind of strange for giving Sharon a model airplane kit, but Sharon said she'd wanted one for a long time.
3. Durwood asked Nardon if he thought Sharon liked the gift she gave, which was not a game.
4. Forman was pleased by Sharon's smile when she saw his gift.
5. The girl who gave Sharon the book, who is not Angela, asked Kramer if he'd read it.
6. Igor and Forman started to put Nardon's gift together, but Nardon and Sharon made them stop.
7. A girl gave Sharon the game.
