

# Organizing Thinking Book 2

## Graphic Organizer PDFs

The image displays six different graphic organizers used for organizing thoughts:

- Steps:** A vertical flowchart with two columns of boxes connected by arrows. The left column lists steps like 'COAL IS BURNED TO PRODUCE HEAT' and 'ELECTRICITY IS CHARGED TO LIGHT IN LAMPS'. The right column lists 'THE SUN'S ENERGY IS STORED IN LIVING PLANTS' and 'ENERGY FROM PLANTS IS STORED IN COAL'.
- Cycle:** A circular diagram with a central box 'City' and four surrounding boxes: 'City collects taxes', 'Business owners pay taxes to the city', 'City workers spend money in local businesses', and 'Cities pay workers to perform services', all connected by arrows in a clockwise cycle.
- Central Idea:** A hierarchical diagram with a central circle 'BICYCLE OBJECT' and 'BICYCLE TYPE OF OBJECT'. It branches into categories like 'DESCRIPTION', 'PURPOSE', 'MATERIALS', 'DETAILS', and 'APPEARANCE', each with associated text.
- Compare & Contrast:** A diagram with sections for 'STATEMENTS', 'QUESTIONS', 'HOW ALIKE?', and 'HOW DIFFERENT?'. It includes definitions and examples of how these sentence types are used.
- Transitive Order:** A vertical sequence of boxes representing a plot. The central box is 'PLOT OF CHARLOTTE'S WEB'. Above it are 'FIRST EVENTS' and below it are 'LAST EVENTS'. The plot points include 'Charlotte spins "SPIDE" in a web', 'Charlotte spins "TERRIFIC" in a web', etc.
- Matrix:** A table with columns for 'LOCAL', 'STATE', and 'NATIONAL' and rows for 'CHIEF OFFICIAL', 'BUILDING WHERE LAWMAKERS MEET', and 'LAW ENFORCEMENT AGENCY'.
