Use the clues and the measuring stick to find each person's name.

Bob is shorter than Kim. Dan has curly hair and is taller than Lee.

Use your completed diagram to write in the answers below.

Bob is _____ feet tall.

Bob and _____ are shorter than Dan.

_____ is 1 foot taller than Dan.

These copyrighted pages are digitally coded with a unique buyer identifier. Distribution is prohibited.

Do the problems. Go in order from left to right. Then, on the next page, connect the answer dots to find the mystery object.
