

Long Vowels

				
date	we	wide	robe	huge

Cross out the word that does not have a **long vowel**. Then write a new word that does.

				_____
				_____
				_____
				_____
				_____

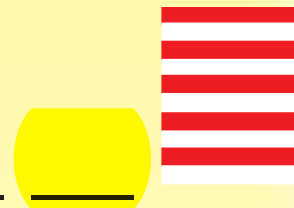

Silent E

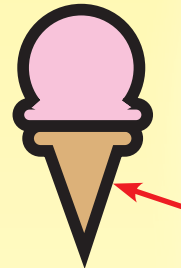

The **silent e** often happens when a vowel plus a consonant is followed by an **e**. The vowel says its name (it is a **long vowel**) and the **e** is silent.

The words below become a new word when a **silent e** is added. Write the new word. Then say both words. Finally, draw a line to the picture that matches the word.

strip + e = _____

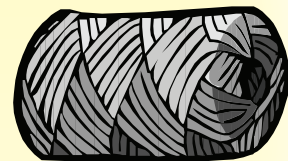

slim + e = _____

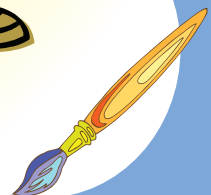

glob + e = _____

twin + e = _____

con + e = _____

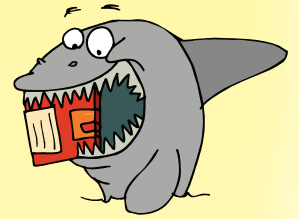

Silent E

cap + e = _____

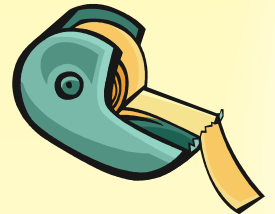

tap + e = _____

rid + e = _____
